WORK EXPERIENCE

Technology Consultant @GYANOHOLIC

🔗 <https://www.gyanoholic.com/>

Full-Time (Jan-March)

Gyanoholic International Pvt. Ltd. is an edtech organisation working towards the STEM Education space and has been working in this domain since 2010.

Responsibilities

As the Technology Consultant, I was responsible for creating different projects involving different technologies, working closely with the Curriculum department and contributing in content creation, guiding young students with new technologies, etc.

Student Mentor @DEVSNEST

🔗 <https://devsnest.in/>

Part-Time (ongoing)

DEVSNEST is an organisation providing mentorship, guidance and resources to over 4500 students through a peer learning driven community.

Contributions

- Managing and mentoring students in the Devsnest Community.
- Open source contribution in providing resources to the DSA segment.
